

# Robert F. Kennedy Jr. and Minister Louis Farrakhan Uniting to Demand Truth and Transparency from Alleged Fraud by CDC

ATLANTA, Ga., Oct. 20, 2015 (SEND2PRESS NEWSWIRE) – The Vaccine-Injury Awareness League today announced that concerned individuals from all across the nation will gather to demand an end to “corruption” at the CDC and to promote mercury-free vaccines.

Parents demand answers and accountability. Since the National Childhood Vaccine Injury Act of 1986 which eliminated any liability for pharmaceutical manufacturers, the number of recommended childhood vaccines has more than tripled and we have seen a decline in the health and vitality of our children with among the worst infant mortality rate in the developed world. Since the whistleblower’s allegations, several states have introduced Bills to mandate vaccines – such as California’s SB277, signed into Law June 2015.

WHERE/WHEN: Atlanta, Ga.

10/23/2015 7 a.m. – 2 p.m.; Public sidewalks outside CDC Headquarters: 1600 Clifton Road.

10/24/2015 NOON – 4 p.m. Grant Park: 840 Cherokee Ave SE (near Berne St. SE & Boulevard SE).

WHAT/WHO: Robert F. Kennedy Jr., Minister Tony Muhammad of the Nation of Islam, Barbara Loe Fisher of the National Vaccine Information Center, Ron Cummins of Organic Consumers Association, ParentalRights.org among several others.

WHY: It has been over a year (August 2014) since a Senior Research Scientist within the CDC has come forward with allegations of falsified safety data – the very data upon which vaccine public policy is made. Congressman William Posey of Florida has urged Congress to investigate these claims and to date, no investigation has begun.

These individuals stand united; all races, creeds, colors, religions to demonstrate against the corruption within the CDC’s vaccine division.
