As the governing body for youth rugby in Northern California, Rugby NorCal boasts thousands of coaches, administrators and volunteers across its member clubs. The organization leverages TeamSnap’s innovative sports management technology for communication, scheduling, payment collection and website hosting. Rugby NorCal also uses [TeamSnap Tournaments](#) to power its slate of sanctioned rugby tournaments taking place in Northern California every season.

“We are excited to continue our successful relationship with TeamSnap to give our member clubs the best option for running their day-to-day operations,” said Louis Stanfill, Executive Director, Rugby NorCal. “TeamSnap is a proven sports-tech leader and its easy-to-use platform has been a huge timesaver,

helping to streamline operations so that our coaches, managers and volunteers can focus on player development and growing rugby across California.”

TeamSnap has become the must-have platform for hundreds of rugby clubs across North America including San Francisco Golden Gate Rugby, Arizona State University Men’s Rugby, Saratoga Rugby FC and Prince William Youth Rugby

“It is wonderful to work with such an engaged and innovative partner that truly embodies the spirit, culture and comradery of the sport of rugby,” said TeamSnap co-founder and CEO Dave DuPont. “We are thrilled to continue supporting Rugby NorCal in simplifying the planning and organization that goes into each season – from early registration through year-end tournaments.”
