SAN DIEGO, Calif., Aug. 9, 2013 (SEND2PRESS NEWSWIRE) – MCT Trading, Inc. (MCT), a recognized leader in mortgage pipeline hedging and risk management services, announced that it has been named to the San Diego Business Journal's (SDBJ) 2013 Top 100 annual fastest-growing private companies list, with a specific ranking of 24. Organizations that earned a spot on the list were honored at a recent awards ceremony held at the Paradise Point Resort and in San Diego, California.

In order to be considered, organizations must be based in San Diego County, are required to have generated revenues of at least \$200,000 starting in the base year of 2010, and revenue is then calculated as a percentage over a three-year period from 2010 to 2012. Qualifying companies must also be independent and privately held and are not allowed to be a division or subsidiary of an organization.

"Our growth is the direct result of an increasing demand for our services and the immense value our solutions and high-touch level of customer service delivers to clients," remarked Curtis Richins, president of MCT. "There are a lot of quality firms in the greater San Diego that are doing great things and experiencing rapid growth. We're honored to be among the top 100."

MCT has also been named to the Inc. 5000 list two years in a row, most recently making the prestigious Inc. 500 list. The company is comprised of a group of senior mortgage banking professionals that have years of deep experience in capital markets analysis and trading.
