

San Diego Business Journal Names MCT to its Best Places to Work List for the Fifth Straight Year

SAN DIEGO, Calif., Aug. 30, 2016 (SEND2PRESS NEWSWIRE) – Mortgage Capital Trading, Inc. (MCT), a recognized leader in mortgage risk management providing pipeline hedging, best-execution loan sales, and centralized lock desk services, announced that it has been named Best Places to Work by the San Diego Business Journal (SDBJ) for the fifth straight year.

Send2Press® Newswire

MCT was ranked number 13 in the medium-sized company category (50 – 249 U.S. employees) and is one of only a hundred companies being recognized in all four categories. The award is designed to identify, recognize and honor the best places of employment in San Diego that benefit the county’s economy, workforce and local businesses.

Founded in 2001 and headquartered in downtown San Diego, MCT has grown from a pipeline hedging services specialist into a fully-integrated provider of capital markets services and software. MCT’s recently expanded office overlooks PetCo Park. The company also has offices in Flower Mound, Texas and Bala Cynwyd, Pennsylvania. MCT employs over 80 people and continues to grow.

“We are extremely honored to have again been recognized by the San Diego

Business Journal as one of the Best Places to Work in San Diego,” stated Curtis Richins, president of MCT. “Winning this award for the fifth year in a row speaks volumes about MCT’s corporate culture and the many programs and benefits we offer our employees. The entire management team at MCT is extremely appreciative of our team’s hard work, passion and dedication.”

The SDBJ puts companies that applied for the award through an extensive evaluation process that includes a detailed analysis of company workplace policies and practices along with a comprehensive employee survey. The combined scores determined the top companies and the final rankings.

The list-making companies were honored at an awards ceremony hosted by the SDBJ on August 11 with nearly 500 attendees. A special issue of the SDBJ profiled all of the companies selected in the publication’s August 22 issue.
