Send2Press® Newswire

Shapiro Goldman Babboni Fernandez & Walsh was one of the sponsors of the Yellow Brick Road of Florida Car Show. Held at the campus of the Suncoast Polytechnical High School in Sarasota, Florida, the event raised funds for the Yellow Brick Road of Florida LLC, a charitable group that supports student educational and social development. Featuring mint condition vehicles, music, food and networking, the event was lively and engaging for all attendees.

All funds raised at the event by the Yellow Brick Road of Florida will be used to support several youth groups including, 4-H and the Future Farmers of America (FFA). 4-H is a global network of organizations whose stated goal is to “engage youth to reach their fullest potential while advancing the field of youth development.”

Created by a community of public universities and schools from around the United States, 4-H provides experiences where young people learn by engaging in hands-on projects in science, citizenship and agriculture. Proceeds from the event also went to Future Farmers of America, a youth program that

supports student achievement in premier leadership, personal growth and career success through agricultural education.

Attorney Stephan Fernandez from the Sarasota office of Shapiro Goldman Babboni Fernandez & Walsh had this to say about the event, "Both 4-H and FFA provide excellent programs to help local youth develop in a wide variety of ways. The attorneys at Shapiro Goldman Babboni Fernandez & Walsh are proud to sponsor these organizations and we would like to thank the Yellow Brick Road of Florida for organizing the event."
