Tokyo is a city of contrasts. It combines reverence for ancient traditions with a love of technology in the world’s most future-forward metropolis. The most populous city in the world, Tokyo is also one of the cleanest and safest. And in the heart of the Shinjuku district—just minutes from the busiest train station on Earth serving 3.6 million commuters each day—is the Church of Scientology Tokyo, where technology and spirituality intersect.

On the anniversary of the dedication of the Church of Scientology Tokyo, parishioners and staff extend an invitation to watch an episode of the original series “[Destination: Scientology–Tokyo](#)” on the Scientology Network. Learn of Tokyo’s history and traditions, with visits to its

treasured temples, shrines and tranquil sakura gardens. Marvel as some 3,000 pedestrians navigate their way through Shibuya Crossing simultaneously.

“One of the most important things is Japan’s culture of wisdom,” says Masayoshi, a staff member at the Church of Scientology Tokyo.

“That is the beauty of our Church,” says Mihuki, another staff member. “Scientology means ‘knowing how to know.’ And it’s all about knowing yourself and knowing life. So, we want to bring that wisdom to the people of Japan. We are here to empower Japanese spirit, our culture, and our people.”

In dedicating the Church of Scientology Tokyo in August 2015, Scientology ecclesiastical leader Mr. David Miscavige described the city as “a place of convergence between East and West” where “the ancient harmonizes with the modern, and all is knitted together by hope. So, what better place to witness the coalescence of spirituality and technology?”
