Hansen was recognized as the founder and developer of SimpleNexus, the wildly popular, mobile-first lending platform that brings loan officers, borrowers and realtors together to seamlessly collaborate on home purchases from any device. Under his leadership, the firm – which [recently ranked number 102 on Deloitte’s Technology Fast 500™ list](#) – has grown to serve more loan officers than any other mortgage point-of-sale platform in the United States.

“In a mortgage market that is always changing, one constant is the need for loan originators to collaborate with their customers and referral partners.

We've made it our business to make that interaction as fun, efficient and effective as possible through mobile-first technology," said SimpleNexus CEO Matt Hansen. "I share this award with the whole SimpleNexus team, and we are honored to be recognized among such an inspiring group of individuals."
