

# SimpleNexus debuts in-app payments with Nexus Pay at MBA Annual21

LEHI, Utah, Oct. 13, 2021 (SEND2PRESS NEWSWIRE) – SimpleNexus (<https://simplenexus.com/>), developer of the leading homeownership platform for loan officers, borrowers, real estate agents and settlement agents, today announced the debut of Nexus Pay at the Mortgage Bankers Association's Annual Convention and Expo (MBA Annual21) happening October 17-20 at the San Diego Convention Center.

Send2Press® Newswire

Nexus Pay enables mortgage loan applicants to seamlessly pay for any mortgage-related charges. Payments such as appraisal fees, credit checks, first month's payment and more can be fulfilled in the same mobile hub borrowers use to receive loan status updates, eSign documents, collaborate with loan officers and Realtors and complete other loan-related tasks.

Nexus Pay makes it easy for loan applicants to submit payments via credit card or ACH within the SimpleNexus app without human assistance, accelerating delivery of payments and creating process efficiencies for mortgage lenders. In-app push notifications alert applicants when they need to complete a payment task, and lenders can use the SimpleNexus admin portal to track

payment history; view payment status on the borrower's loan details page; and edit, void or refund payments if necessary.

"With Nexus Pay, we've removed the friction that often occurs when payments are required in the mortgage workflow, making it easier and quicker for borrowers to pay – and lenders to receive – those payments," said SimpleNexus Chief Product Officer Shane Westra. "By folding another step of the homeownership journey into the SimpleNexus app, lenders can provide their customers an industry-leading, on-brand home financing experience from start to finish."
