SimpleNexus is one of the fastest-growing software companies in the nation. With its “from anywhere” homeownership platform, loan teams are able to originate, process and close mortgage loans at lightning speed while juggling record-high loan volume and nurturing borrow and referral-partner relationships. The comprehensive platform unites the entire homebuying journey, from home search to eClosing.

“After the uncertainty and unpredictability of last year, we expected a greater adoption of technology. However, these 100 real estate and mortgage companies took digital disruption to a whole new level and propelled a complete digital revolution, leaving a digital legacy that will impact borrowers, clients and companies for years to come,” said HousingWire HW+ Managing Editor Brena Nath. “Knowing what these companies were able to navigate and overcome, we’re excited to announce this year’s list of the most innovative technology companies serving the mortgage and real estate industries.”

“We are honored to be included in HousingWire’s Tech100 list,” said SimpleNexus Founder and CEO Matt Hansen. “SimpleNexus is relentless in the pursuit of making the lives of loan originators, borrowers and Realtors simple and seamlessly connected.”

SimpleNexus serves a user base of more than 32,000 loan originators, 141,000 real estate agents and 3 million borrowers. To date, the platform has handled over 13 million loans totaling over \$3 trillion in volume and touches approximately one in eight home loans originated in the United States.
