

SimpleNexus Makes Third Consecutive Appearance on HousingWire Tech100 List of Most Innovative Companies in Mortgage Technology

LEHI, Utah, March 4, 2020 (SEND2PRESS NEWSWIRE) – SimpleNexus (<https://simplenexus.com/>), developer of the leading digital mortgage platform for loan officers, borrowers and real estate agents, has been named to HousingWire’s HW Tech100 for the third year in a row. Now in its eighth year, the HW Tech100 recognizes the most innovative technology companies in the U.S. housing economy.

Send2Press® Newswire

HousingWire’s Tech100 program is designed to provide housing professionals a definitive list of the most innovative and impactful companies solving the problems mortgage lenders and real estate professionals face every day. Competition for the Tech100 program grows more competitive each year.

“The winners of the 2020 HousingWire Tech100 Mortgage and Real Estate awards are truly the most impactful and innovative companies in housing,” said HousingWire CEO Clayton Collins. “Not only do these companies empower their

clients and users, they are supporting a more efficient, accessible and sustainable housing economy.”

“We are incredibly proud that lenders and their referral partners continue to look to SimpleNexus as a leader in mortgage technology,” said SimpleNexus Founder and CEO Matt Hansen. “We are earnest in our belief that innovation begins with listening to your customers, and we never tire of helping lenders find new ways to forge and enrich their connections with borrowers and Realtors.”
