“With the addition of these new jurisdictions, Simplifile continues to expand its e-recording footprint throughout the U.S., enabling mortgage lenders, title and settlement professionals, and county recorders to electronically record and exchange documents with ease,” said Simplifile President Paul Clifford.

“Our enthusiasm for onboarding new counties to Simplifile’s e-recording platform only continues to grow as recording districts report back the multitude of ways in which Simplifile’s platform has improved their record-keeping process.”

The newest additions to Simplifile's e-recording network are:

- Town of Bolton, Conn.
- Town of Brookfield, Conn.
- Town of Enfield, Conn.
- Town of Lebanon, Conn.
- Town of Oxford, Conn.
- Town of North Canaan, Conn.
- Town of Simsbury, Conn.
- Washington County, Maine
- Allegany County, Md.
- Charles County, Md.
- Dorchester County, Md.
- Frederick County, Md.
- Garrett County, Md.
- Kent County, Md.
- Worcester County, Md.
- Barnstable Land Court, MA
- Plymouth County Land Court, Mass.
- Worcester North Land Court, Mass.
- Rockingham County, N.H.
- Union County, N.J.
- Hamilton County, N.Y.
- Delaware County, N.Y.
- Erie County, Pa.
- Butler County, Pa.
- North Cumberland County, Pa.
- Bath County, Va.
- Charles City, Va.
- Goochland County, Va.
- Henrico County, Va.
- Portsmouth City, Va.

More than 80 percent of the U.S. population lives in a recording district that uses Simplifile's e-recording platform. Simplifile gives counties the ability to securely review, stamp, record and return documents electronically, thereby reducing the amount of time it takes to process documents and saving office resources. To date, 1,862 jurisdictions participate in Simplifile's e-recording network.

About Simplifile:

Simplifile, the nation's largest e-recording network, was founded in 2000 to connect settlement agents and county recorders via its e-recording service. Today Simplifile has broadened its services to include collaboration tools and post-closing visibility for mortgage lenders and settlement agents working together on real estate documents. Through Simplifile, users can securely record, share, and track documents, data, and fees with ease.
