“As we continue our push to deliver e-recording capabilities to every recording jurisdiction in the U.S., we’ve seen a persistent increase in adoption jurisdictions in the Eastern portion of the country,” said Simplifile President Paul Clifford. “What is particularly striking is that five of the 10 states with the largest number of counties – Georgia, Virginia, Kentucky, North Carolina and Tennessee – are all located in this region, thus providing abundant opportunities to expand e-recording access to jurisdictions along the Eastern seaboard and throughout the Southeast.”

The newest additions to Simplifile’s e-recording network are:

- Colbert County, Ala.
- Morgan County, Ala.

- Arkansas (Dewitt) County, Ark.
- Arkansas (Stuttgart) County, Ark.
- Pike County, Ark.
- Sevier County, Ark.
- City of Danbury, Conn.
