

Simplifile E-Recording Network Now Available in 15 Midwestern, Western Jurisdictions

PROVO, Utah, May 30, 2017 (SEND2PRESS NEWSWIRE) – Simplifile, a leading provider of real estate document collaboration and recording technologies for lenders, settlement agents, and counties, has expanded its industry-leading e-recording network to include 15 additional recording jurisdictions across the Western and Midwestern United States.

Send2Press® Newswire

“E-recording continues to gain momentum as more settlement agents and recording jurisdictions are realizing the time- and cost-saving benefits and the positive impact on borrower and lender satisfaction that e-recording provides,” said Paul Clifford, president of Simplifile.

“With the addition of these new jurisdictions, Simplifile continues its efforts to expand the availability of e-recording nationwide.”

The new jurisdictions are:

- Butte County, Calif.
- Carroll County, Ind.
- Saginaw County, Mich.

- Murray County, Minn.
- Sainte Genevieve County, Mo.
- Williams County, Ohio
- Brook County, Ore.
- Gilliam County, Ore.
- Lake County, Ore.
- Malheur County, Ore.
- Sherman County, Ore.
- Corson County, S.D.
- Moody County, S.D.
- Hot Springs County, Wyo.
- Park County, Wyo.

As members of the Simplifile e-recording network, which is the largest in the nation, settlement agents in these jurisdictions can now electronically submit documents directly to the county recording office via Simplifile's secure e-recording service. Within minutes, the county recorder is also able to review, stamp, record, and return documents electronically through the Simplifile system.

The secure platform also reduces errors and eliminates check-writing costs by allowing settlement agents to electronically pay recording fees and other associated expenses.

Throughout the United States, more than 1,622 county recording offices now electronically record deeds, mortgages, and other documents electronically using Simplifile. For a current list of all jurisdictions within the Simplifile e-recording network, visit <https://simplifile.com>.

About Simplifile:

Simplifile, the nation's largest e-recording network, was founded in 2000 to connect settlement agents and county recorders via its e-recording service. Today Simplifile has broadened its services to include collaboration tools and post-closing visibility for mortgage lenders and settlement agents working together on real estate documents. Through Simplifile, users can securely record, share, and track documents, data, and fees with ease.
