## 30 percent Deep Discount Offered on Sothink Media Toolkit:

As the burning summer gradually reaches its tail, all the students and faculties are busy preparing for the new school term ahead, and It is right during this period of each year that many stores and supermarkets are giving very handsome discounts. This year, SothinkMedia decided to get onboard.

During the Back-to-School Campaign from Aug. 10 to Sept. 10, 2016, all the new customers including students and teachers can receive an amazing 30 percent off discount if they want to order Sothink Media Toolkit the lifetime combo, which is a diversified combination of its DVD/Blu-ray copying,

authoring, converting and video conversion solutions, including the [DVD copy software](#), DVD ripper software, Blu-ray copy software, Blu-ray ripper software, DVD creator software, Blu-ray creator software, video converter software, and Blu-ray to DVD converter software.

If you are a movie lover who probably needs to deal with videos at a regular basis, then this fabulous package is definitely what you must have. So, better take the advantage before you still can.

### **25 percent off Coupon on Two Best Bundle Sellers:**

It might be true that sometimes it will be all good to just take what one really wants, with this in mind, SothinkMedia, besides the above-mentioned the all-inclusive combo, offers those people in need a good chance to get its two lifetime bundles with 25 percent off, including the DVD Media Suite and the HD Movie Maker Suite. The former is a lifetime bundle consisting of SothinkMedia's DVD copy and DVD ripper software, while the latter is an integrated package of its DVD creator software and [Blu-ray creator software](#) that allow users to produce high quality DVD videos and Blu-ray movies at home from their personal owned videos originated from smart phones, tablets, digital cameras, camcorder, and even DSLRs, etc. Should you be interested in any of the two bundles, this could be an exceptional offer to take it, or both. Just don't watch the chance slip through your fingers.

### **Save 20 percent on Select Single Products:**

To fully live up to the theme, SothinkMedia offers still more. The following single products allow users to save 20 percent, including the [DVD creator software](#), DVD ripper software, Blu-ray ripper software, and the video converter software.
