

Spider Bite Tattoo of Manchester, New Hampshire is now a Tatt2Away Studio Center

MANCHESTER, N.H., Jan. 11, 2016 (SEND2PRESS NEWSWIRE) – Rejuvatek Medical, Inc. officially launches the first Tatt2Away® (www.tatt2away.com) non laser tattoo removal system in New Hampshire with Spider Bite Tattoo’s co-founders Jon Thomas and David McCormick. Their location has come on board to offer to all its clientele certified tattoo removal as the first Tatt2Away Center in the state. Bringing into their high quality of service and products, the all natural system.

Spider Bite has always sought the highest in the art of the tattoo, from the materials used, to the condition of the studio and on to the aftercare of the artwork they place in the skin. Tatt2Away continues on with this Spider Bite Tattoo tradition. Tatt2Away is the non-laser, all natural system and process of eliminating any color of ink or pigment from the skin.

“We see how using Tatt2Away, can get rid of someone’s past mistakes, the unwanted ink they can no longer stand,” said Jon Thomas. In as little as 4 sessions, with the amount of pain that is involved getting a tattoo, and with the fewer sessions, more cost effective as well, Tatt2Away is becoming the new standard for Tattoo Removal.

Rejuvatek Medical is placing around the nation Tatt2Away systems offering a limited exclusivity to those tattoo studios that see the opportunity first and act on it.
