DELRAY BEACH, Fla., March 24, 2015 (SEND2PRESS NEWSWIRE) – Spodak Dental Group is always looking for ways to provide patients with excellent care and service, and with the addition of a new feature on the website, it's even more convenient for patients to manage their dental payments.

Patients can now visit [www.SpodakDental.com](http://www.SpodakDental.com) and click on the "Patient Login" link at the top of the page. For patients who are logging in for the first time, they will select "Sign Up" to complete the form and register. Gaining access to the account could take 24-48 hours, and patients will be notified via email when they are able to log in to the site and view their account.

All billing information, including any balances or credits, will be visible, and patients can choose what amount they'd like to contribute toward their bill. For patients who have already registered, they can simply log in and manage their account information, appointments, electronic payments, and more. All personal health and billing information is protected and transmitted securely.

"I am happy to offer this convenient way for our patients to manage their dental health," said Dr. Craig Spodak, owner of Spodak Dental Group. "Not only do we offer financing options, accept most PPO insurances, and have in-house insurance plans, the ability to make payments online makes it just that much easier for patients to stay in control of their upcoming procedures."
