

Spodak Dental Group Offers \$2,200 off Invisalign and Wisdom Teeth Removal

DELRAY BEACH, Fla., March 16, 2015 (SEND2PRESS NEWSWIRE) – Spodak Dental Group is offering a March “Lucky You!” special for patients who are interested in straightening their smile. Patients will receive \$2,200 off the cost of Invisalign(R) and wisdom teeth removal when they enroll in treatment of both during the month of March 2015.

Spodak Dental Group is an Elite Invisalign(R) Provider placing the company in the top 5 percent of providers worldwide and among the largest providers in Palm Beach County. Invisalign(R) effectively treats a wide variety of cases, including crowding, spacing, crossbite, overbite and underbite, and consists of smooth, comfortable plastic aligners instead of sharp metal, reducing irritation on your teeth and gums.

It’s beneficial for patients who need their wisdom teeth removed to have them removed prior to any orthodontic treatment. Generally, wisdom teeth try breaking through the gums between the ages of 16 and 20, and they can (and often do) cause considerable discomfort, infection, and damage to adjacent teeth. About two-thirds of the population will require removal of their wisdom teeth at some point in their life.

Spodak Dental Group is offering the “Lucky You!” special for \$2,200 less than the standard pricing, and patients can get started for \$0 down and \$241 per month for 24 months, interest free (for those who qualify).

“I look forward to helping all patients get the beautiful, healthy smile they’ve always wanted,” said Dr. Craig Spodak, owner of Spodak Dental Group. “We are confident we can help combat crooked smiles, and this special pricing with low monthly payments make it easy to do so.”

Since 1976, the Spodak Dental Group has evolved to become South Florida’s premier, comprehensive dental facility, and comprises a world-class association of dental professionals poised to provide full-service dental care second-to-none in both scope and skill.
