DELRAY BEACH, Fla., Feb. 12, 2015 (SEND2PRESS NEWSWIRE) – Spodak Dental Group expands the team of eminently qualified doctors to include Daniel Torres, DMD. A local to Delray, Dr. Torres is committed to providing his community with superior dental care.

Dr. Torres is a board certified oral and maxillofacial surgeon practicing in South Florida. Besides his experience in private practice, he has had experience as a full time post graduate professor of oral and maxillofacial surgery at the University of Florida College of Dentistry as well as a faculty appointment at the Center for Implant Dentistry. His academic experience helps Dr. Torres to employ the latest in “evidence based” care to provide safe and predictable results consistently.

He graduated from Nova Southeastern University in 2006 with a degree of Doctor in Dental Medicine, DMD, and continued to receive a Certificate in Oral and Maxillofacial Surgery in 2010. He also completed an American Dental Association and American Board of Oral and Maxillofacial Surgery-approved residency at the Broward Health Medical Center in 2010.

Dr. Torres is also an active member of the American Association and American Board of Oral and Maxillofacial Surgeons, American and Florida Dental Associations, Foundation for Oral Rehabilitation, and American Dental Society of Anesthesiology.

Dr. Torres has published in international peer reviewed journals and has presented at local, national and international meetings. He has many professional interests but focuses his practice on complex dental extractions, dental implants, bone grafting, TMJ disorders, trauma, and pathology of the maxillofacial region.

Giving back to the community has always been a priority for Dr. Torres and he continues to be a longtime volunteer at Caridad Health Center in Boynton Beach as well as regularly participating on international mission trips. Dr. Torres considers himself a lifelong learner and, besides extensive professional continuing education, he also enjoys leisure reading whenever he has the chance.

“Dr. Torres is a great addition to the team and our growing oral surgery department,” said Dr. Craig Spodak, owner of Spodak Dental Group. “His immense dedication and drive to take the very best care of his patients is a perfect fit with our core values, and we are very happy to have him on our team of specialty dentists.”
