

# Spring Creek Labs to Exhibit at MJBizConNEXT in New Orleans

NEW ORLEANS, La., June 12, 2019 (SEND2PRESS NEWSWIRE) – Spring Creek Labs Inc. announced today that thousands of cannabis industry innovators and 250 exhibitors will meet at MJBizConNEXT. The event will take place on June 12-14, 2019 at the Morial Convention Center in New Orleans, Louisiana.

Send2Press® Newswire

Executives, emerging leaders, and other professionals will see cutting-edge innovations at MJBizConNEXT. They'll learn how to expand their business in the growing cannabis market. Attendees will meet industry professionals at specialized tracks, qualified sessions, and expo spaces.

The Hemp Daily Conference will debut this year at MJBizConNEXT. It will feature tutorials, discussions, and seminars on hemp cultivation, processing, and sales. Attendees will get an in-depth look at hemp-related opportunities, regulations, and legal developments.

"We're bringing together the best minds across the hemp supply chain, from cultivation to processing to retailing," says Kristen Nichols, editor of Hemp Industry Daily, "to help new and longtime entrepreneurs turn this hemp opportunity into a thriving business."

At the MJBizConNEXT Executive Summit, C-suite professionals will discuss real-world scenarios impacting businesses. Roundtable discussions will center around managing opportunities, building partnerships, and negotiating mergers.

- MJBizConNEXT is the largest, longest-running, and most trusted B2B cannabis trade show
- June 12-14, 2019 in New Orleans, LA
- All professionals in the cannabis industry are welcome to attend
