

Style Tech, LLC to Become Exclusive Tat'z Nail'z Distributor in Utah

SALT LAKE CITY, Utah, April 11, 2013 (SEND2PRESS NEWSWIRE) – Style Tech, a provider of nail art technology for nail and beauty salons in the United States, announced it has signed an exclusive distributorship with Fashion Tec USA, Inc., a U.S. technology firm. This agreement will enable Style Tech to make the Tat'z Nail'z imaging systems available to beauty and nail salons across Utah and to expand its national service presence.

Tat'z Nail'z is a sophisticated machine that allows salon professionals to print basically any design, logo or image onto natural or acrylic nails. The touch screen makes it easy to select from hundreds of designs or the user can import their own designs via the USB interface or the camera. Tat'z Nail'z offers the most advanced technology in nail and toenail fashion and is the hot new way to make fashion come to life. Tat'z Nail'z is currently in use throughout nail salons in Europe where sales are quickly escalating due to high demand and customer satisfaction.

“We have demonstrated the Tat'z Nail'z technology at cosmetology schools and salons throughout Utah and the reviews are positive,” said Rob Benchley, CEO of Style Tech, LLC. “We are excited to be a part of such a fast-paced and ever changing industry and we are even more excited to see how Tat'z Nail'z changes nail and beauty fashion and to bring this opportunity to Utah.”

As a distributor of Tat'z Nail'z, Style Tech is able to offer the technology through purchase or a low monthly lease, making it accessible to salon owners and nail technicians. Tat'z Nail'z recently received the “Best Of Show” award at the Consumer Electronics Show in Las Vegas, Nevada. This achievement demonstrates the state-of-the-art technology and the excitement surrounding Tat'z Nail'z.

Additionally Style Tech will be displaying Tat'z Nail'z for salon professionals and the public to see and try at the What A Woman Wants expo, April 12-13, 2013 at the South Towne Expo Center.
