

TeamSnap Releases Update of App for iOS 8

BOULDER, Colo., Nov. 3, 2014 (SEND2PRESS NEWSWIRE) – TeamSnap, used by nearly 7 million people around the world to coordinate their sports and other ongoing activities, is introducing a reinvigorated TeamSnap app for iOS 8.

Designed with iOS 8 in mind, the new TeamSnap app is more interactive and features a modern and inviting design. The iOS 8 update opens up new possibilities for TeamSnap, including:

* Overview and Schedule transformation: Sleek and clean, the new Overview and Schedule pages makes it easier than before to see all the details you need to know about your upcoming game or activity – maps, availability, refreshments and more, all in one place.

* Availability widget: Enables customer to set their availability for games and all activities with a few taps. The Availability widget, now part of the Schedule detail page, is lightning fast and easy to use.

* Early access to TeamSnap Live!: Early beta access for customers who have signed up for TeamSnap Live! Beta. TeamSnap Live! gives customers all-new, real-time features, such as live chat and score updating so they can keep up with games and activities even when they aren't physically there. “Every significant iOS update opens new possibilities for app makers to innovate,” said Andrew Berkowitz, TeamSnap chief product officer. “iOS 8 is no exception. We understand the need for speed and simplicity in our app – this was the perfect time to reinvent and deliver a new, exciting experience to our customers.”

TeamSnap's app is available on the iTunes App Store (<https://itunes.apple.com/us/app/teamsnap/id393048976?mt=8>) or Google Play (<https://play.google.com/store/apps/details?id=com.teamsnap.teamsnap>).
