

# Technologies Management, Inc. Selects Director for Its Burgeoning Telecom Regulatory Compliance Reporting Practice

MAITLAND, Fla., May 17, 2017 (SEND2PRESS NEWSWIRE) – Technologies Management, Inc. (“TMI”), a leading provider of regulatory consulting services, network optimization, and project management to communications providers, has named Patrick MacNeil as Director of Compliance Reporting.

Send2Press® Newswire

MacNeil will guide TMI’s [Compliance Reporting](#) Department as it continues to expand, by further enhancing the online reporting system to improve the client experience, strengthening client relationships, and identifying new strategic directions for this rapidly growing segment of TMI’s business. He brings many years of leadership experience in staff and management development, financial and budget administration, process and operations optimization, and information technology including VoIP integration through his previous roles at AT&T and General Electric.

“TMI’s Compliance Reporting Services has grown by 23 percent over the last 36 months and we are projecting an additional increase of 20 percent by end of 2017,” said TMI’s President, Sharon Thomas. “We look forward to continued success for TMI across the board with the addition of Patrick MacNeil as

Director of Compliance Reporting.”

Thomas adds, “Patrick’s high energy, collaborative abilities, and solid industry experience will enable us to continue to provide our new and existing clients with innovative reporting solutions, exemplary customer service, and highly regarded regulatory assistance.”

The appointment of Patrick MacNeil as Director of Telecom Regulatory Compliance Reporting is the first in a series of announcements from TMI, demonstrating the exciting increase in client levels and new projects that the firm has been awarded.
