

# Tenorshare Partners with Student Beans to Offer Exclusive Discount for Students

NEW YORK, N.Y., May 28, 2022 (SEND2PRESS NEWSWIRE) – Tenorshare, a leading software company, has announced that it has launched a partnership with the English website Student Beans to offer 45% off on almost all products. Tenorshare encourages education and learning and the aim of the [student discount program](#) is to help students solve their iOS and Android phone issues at a lower price!

“We’re so excited to launch this student discount program with Student Beans! Students just need to log in or sign up for a StudentBeans.com account and verify their identity. They will get a student discount code. And then, they can purchase what they need. They will save 45% off via using the student discount code,” said Tenorshare’s CEO, while introducing the student discount program.
