

# Tenorshare Renames iPhone Care Pro to iCareFone

NEW YORK, N.Y., June 28, 2016 (SEND2PRESS NEWSWIRE) – Tenorshare today announced officially it has changed the name of its iPhone Care Pro to **iCareFone**, the best iPhone care tool for the iOS users who are looking for online software to fix all iOS glitches.

Send2Press® Newswire

iCareFone is a homophone as “I care phone,” with the aim to help the iOS users to take care their iPhone/iPad/iPod at the peak, along with the goal to make it easier for people to remember. “Care Phone” has been the focus of Tenorshare Development Team, who always dedicates to develop the most professional and efficient software for iOS users to fix their all kinds of issues and keep the device in the best performance, removing their annoyance.

Tenorshare states iCareFone will further strengthen their top planning for brand expansion. Now we are pushing for iCareFone vigorously to expand this new product name, and we hope this easy-to-remember new name can help to build up more impressive global trade image.

As a new name is announced, the software is also offering more powerful features and a much more intuitive interface for both newbie and veteran than before to restore their iPhone/iPad/iPod more easily and quickly. It allows users to fix more iOS bugs and helps them to optimize iDevice faster and deeper.

iCareFone is all about multitasking with quite a few of fantastic functions:
