“As one of our more seasoned loan officers, Brandon continues to impress me with his dedication to customer service and ability to recommend loan products that deliver substantial savings to his clients,” said Michael Cooksey, founder of The Cooksey Team. “Dallas is an extremely competitive market, and we’re beyond thrilled to see Brandon achieve such success while still doing things the right way.”

Findley brings nearly 15 years of industry experience to his role at The Cooksey Team, which has enabled him to guide clients to their desired result in a smooth and professional manner. He has been recognized by both Five Star Professional in 2018 and D Magazine in 2016 as one of the top mortgage professionals in the Dallas/Fort Worth area, having helped more than 2,600 families purchase or refinance their home.

“Dallas is where I was born and raised, and it’s where I’ve chosen to raise my own family so bringing the dream of homeownership to others that love this area as much as I do is one of the most rewarding parts of my job,” Findley said. “Because there is no such thing as a ‘one-size-fits-all’ mortgage, I always try to put my clients first to ensure they receive the loan that’s going to help them meet their needs today and tomorrow.”
