

Tireman Announces New Auto Center in Oregon Ohio to Open August 5 – Ribbon Cutting Ceremony to Be Held August 8 at 11 a.m.

TOLEDO, Ohio, Aug. 2, 2013 (SEND2PRESS NEWSWIRE) – Tireman Auto Service Centers, located in Ohio and Michigan, will open its newest auto center August 5. The new full-service auto center is located at 3608 Navarre Avenue in Oregon, Ohio, across from Walmart and Buffalo Wild Wings. The new location will be another “green” auto center for Tireman.

“We are excited to get our newest location up and running. We have invested almost two million dollars in the building along with the latest technology and equipment that money can buy,” said Randy Jones, President of Tireman Auto Service Centers.

“We’ll be adding some full-time positions resulting in well over one-half-million dollars of annual payroll expense,” Jones added.

The new center is located in the heart of the highest growth area in Oregon with popular shopping and eating destinations within walking distance.

“The City of Oregon has been extremely cooperative in working with us. Mayor Sefarian reached out to us as soon as we made our plans to relocate from the Woodville Mall,” Mr. Jones commented.

The Mayor, Michael J. Sefarian and City Administrator, Michael J. Beazley, along with other community and Tireman officials will be on hand for a ceremonial ribbon-cutting to take place August 8, at 11 a.m. at the new Tireman site. “We are pleased to welcome a quality organization like Tireman to Oregon. I know our residents will find them to be a great group to do business with,” stated Mayor Sefarian.

Rick Lindel III, long-time employee and Store Manager of the nearby Northwood, Ohio location will be managing the new auto center. “I’m looking forward to serving my customers, family and friends at our new facility. I grew up in this area. It gives me so much confidence having the newest and best available equipment along with a highly experienced team. I know we’ll be positioned to deliver the best possible customer experiences for years to come,” said Mr. Lindel.

The new location will be another “green” auto center for Tireman. All oil and lubricants, scrap tires, scrap metal and antifreeze will be taken off site and recycled. Even the store’s hoists are operated using water for hydraulic pressure instead of oil.

Tireman Auto Service Centers:

Established in 1948, Tireman Auto Service Centers is locally owned and provides complete automotive service for all makes and models, including alignments, brake service, suspension repairs, and other mechanical repairs. Tireman also carries a wide variety of replacement tires, including Michelin, Goodyear, BFGoodrich, Cooper, Uniroyal, and a host of value brands. The Oregon location will be the newest of 17 locations in Ohio and Michigan.
