Encircled by superbly manicured gardens and well-established trees, this is a sanctuary you'll relish coming home to at the day's end. Emerging from its verdant surrounds is a stunning Texas limestone cut stone exterior with a

slate roof and copper gutters – a 5,595 square foot regal dwelling of exquisite design and distinction. The ideal blend between old world charm and contemporary extravagance, the open plan design is perfectly paired to seamlessly integrate with the alfresco area, where you can walk out to the new pool and blue stone patio, grilling area, and fire pit.

In the Summer months, be tempted by lazy days bursting with family fun – either soaking up the sun in your secluded backyard, frolicking in the crystal-clear pool, or gathering around the firepit to toast marshmallows and make magical memories. Equally as enchanting are the gardens – glorious expanses of greenery give children secret pockets to play in and foster a whole new world of imagination. There's also a Zen garden with fountain for when you simply need to be still.

When the weather cools, you'll be safely ensconced in the lavish indoors, with an abundance of areas fit for hosting gatherings, large or small. There's an elegant living room, ready to welcome you, along with the great room, flanked by a fireplace and flowing outdoors to the poolside entertaining area. Another popular place to congregate will be the plush dining room, which links with a hidden garden oasis. It's matched only by the exquisite kitchen, which is masterful in every way. Fresh, functional, and full of high-quality appointments including Wolf and Sub-Zero appliances, it features a gorgeous center island, breakfast bar and separate room overlooking the pool, and a superb butler's pantry.

The opulence continues with the main floor master suite, which is a room of enduring beauty. Complementing this is the oversized, walk-in dressing room and a white marble en-suite, accented by acclaimed Waterworks faucet sets, a dual shower and freestanding bath. A sweeping, statement staircase leads you to the remaining three sumptuous bedroom suites – all of which are bathed in natural light – and an additional laundry/mudroom upstairs.

There are also two fireplaces to enjoy, along with a daylight basement with side yard access, central heating and cooling, and attached garage to accommodate two cars.

Nestled in a vibrant community, with no shortage of outdoor activities to keep the whole family healthy and happy, you're also right next door to Chastain Park. Enjoy the horse park, golf course, tennis courts, pool, playgrounds, parks, sidewalks and jogging paths close by, with the Chastain Park musical amphitheater also a must to experience.

Ideally situated in the highly coveted 30342 zip code brings you the nearby convenience for the best Buckhead, Atlanta offers from the notorious high-end shopping, acclaimed restaurants, and some of the nation's top ranked private schools. This is a residence which delivers the finest in indoor and outdoor entertaining and luxury living. Without doubt, this is a trophy home which will be a treasured heirloom to pass on to future generations.
