“As the name Transformational Mortgage Solutions suggests, our mission is to transform the legacy processes and ways of thinking that are holding lenders back,” said TMS Founder and Chief Transformational Officer David Lykken. “Michael’s keen eye for process evaluation and business development strategy make him especially well-suited for a role at TMS. We look forward to working with him.”

Before entering the field of mortgage management consulting, Barrett was senior vice president, retail direct platform at top-10 lender AmeriHome

Mortgage Company, LLC., where he built out their consumer direct lending channel in the Orange County, California market. He also served as vice president, business development at Guaranteed Rate and director of product strategy at Discover Financial Services (NYSE: DFS). Barrett has earned Mortgage Bankers Association designations as an Accredited Mortgage Professional (AMP) and a Certified Mortgage Banker (CMB).

“In this tight market, many lenders need to evaluate their business model and back office processes with fresh eyes in order to make the kinds of informed and effective decisions that will keep their business viable,” said Barrett. “I’m excited to join the stellar team at TMS, and contribute to their reputation as a firm that can cinch the belt on any lending operation by coaching for intentional, disciplined performance.”
