

TRK Connection Elevates Colton Hansen to Role of Vice President of Business Development

SALT LAKE CITY, Utah, Sept. 7, 2017 (SEND2PRESS NEWSWIRE) – TRK Connection, a leading provider of mortgage quality control and origination management solutions, announced it has promoted Colton Hansen to vice president of business development. In this new role, Hansen will be responsible for leading and executing company objectives for sales and marketing campaigns, implementing new technologies, and analyzing new opportunities.

Send2Press® Newswire

“Colton has been with TRK from day one, and his relentless efforts in cultivating our client base and deft management of those relationships have made TRK what it is today,” said Teri Sundh, CEO of TRK Connection. “I can think of no one more suited to lead TRK through its next stage of growth.”

Prior to TRK, Hansen served as manager of vendor relations for Strategic Services Management (SSM Hub) and worked in a business development capacity for Salt Lake City-based Primary Residential Mortgage, Inc. from 2009 to 2012. He earned his bachelor’s degree in business administration and management from the University of Utah.

“Having been here from the start, I take immense pride in what TRK has been able to accomplish in just a few short years, as we have invested

considerable time and effort in collaborating with lenders to develop the Insight RDM platform,” Hansen said. “The mortgage industry is hungry for a more robust, sophisticated QC audit platform, and I look forward to continuing to enable lenders to better manage their repurchase risk and improve loan quality using Insight.”

About TRK Connection:

Founded in 2013, TRK Connection prides itself on its ability to develop technologies that allow businesses to surpass their organizational needs and meet their business objectives. As an innovator in the mortgage origination and quality assurance space, TRK continues to develop and refine solutions geared to promote and strengthen the loan origination process, pre/post-close loan audits and the defect remediation process.

Currently, TRK offers solutions that support Mortgage Audit & Quality Control (Insight Risk & Defect Management™), Loan Origination Vendor Management (Core Connect™), Complete LOS Connectivity Platforms and more. For more information, visit <http://trkconnection.com>.
