The gathering of Ultimate Packer Fans will include food, raffles and silent auction items. There will also be vendors selling their favorite Packers related wares, including the 2017 Cheesy Scarf produced by residents and volunteers of the New Community Shelter.

The Ultimate Packer Fan Connection board of directors has chosen the New Community Shelter as the beneficiary of the event because of its service to homeless adults and Community Meal Program that serves meals daily to children and adults.

“The Ultimate Packer Fan Connection is committed to making a difference in the lives of the less fortunate,” said Kris Olson, New Community Shelter Development Director said. “The board has been planning this great day to bring together fans and some players all in the name of charity. They live all over the state and fans they are associated with come from around the country to be part of this great organization. We are honored to be

associated with such kind people.”
