Storewide 25 percent Discount on Storewide Products:

Summer is always the best season of the year for both indoor and outdoor entertainments. To help you cool down the hot weather a little bit, Fengtao Software has just revealed its Summertime Hot Deals, offering a storewide 25 percent discount on all the products, including its DVDFab All-In-One Lifetime Gift – an all-in-one solution package for copying, burning, converting and authoring DVDs & Blu-rays, and [converting videos](#).

Purchasing this universal bundle before June 16 can also get you a \$20 Amazon Gift Card for free. Be reminded that if you don't really need all the whistles, the 25 percent discount also works on all the other hot-selling single products and bundles, just take the shot before the Summertime Hot Deals runs invalid.

Save 50 percent on DVDFab Media Player Windows Version:

With the next-gen Ultra HD Blu-ray discs hitting the market, most of the Blu-ray consumers are confronted with an emerging problem, which is how to make backups of their purchased Ultra Blu-ray discs and then how to watch the backups on the computer. DVDFab Media Player has just released a new version for the Windows version, and it is capable of playing back the unprotected 4K UHD Blu-ray ISO files and movie folders you already have stored on your computer HDDs (see website for full details and how-tos).

What's more, before the Summertime Hot Deals ends on June 15, anyone purchasing this [4K UHD Blu-ray media player](#) can save 50 percent. Be aware that the discount only works on the Windows version.
