

# ViewTech Borescopes Exhibiting for the 10th Time at MRO Americas Aviation Week 2022

TRAVERSE CITY, Mich., April 25, 2022 (SEND2PRESS NEWSWIRE) – ViewTech Borescopes announced they are returning to exhibit for the 10th time during [MRO Americas Aviation Week](#) and will be located at booth #908. Since 2012, ViewTech's articulating video borescopes have been on display during the largest aviation MRO event in the world and this year will be in the company of more than 800 other exhibitors, including StandardAero, Collins Aerospace, Pratt & Whitney, and Honeywell.

Send2Press® Newswire

ViewTech Borescopes Sales Consultant, Evan Miller, will be available to arrange a no-cost, no-obligation [video borescope demo](#) be sent to your MRO repair facility. Also, available to trial during MRO Americas Aviation week will be the [VJ-3 2.8mm](#), [VJ-3 3.9mm](#), and [VJ-3 Dual Camera](#) video borescopes. Both attendees and exhibitors are encouraged to experience the most recent aviation inspection equipment upgrades at ViewTech Borescopes booth during MRO Americas exhibiting hours.

With a large percentage of ViewTech's clientele based in the [aviation and aerospace industries](#), ViewTech Borescopes continues to improve their aviation inspection equipment based on client feedback. By providing the best borescope options for their budget, ViewTech has been saving companies time and money on their preventative maintenance, quality control, and MRO inspections.

### **VJ-3 Video Borescope**

The [VJ-3 mechanical articulating video borescope](#) is a nondestructive visual testing instrument used for the remote visual inspection of machinery, equipment, and components. The VJ-3 facilitates the visual recording and photo documentation of an inspection and components in areas that are otherwise inaccessible or require great effort and expense to access directly. The VJ-3 consists of two modules integrated into one system: an insertion tube with distally mounted camera/LEDs, and the base unit with control panel, LCD monitor, power source and all necessary circuitry.
