

Virtual Podcasting Conference on track to set new record this week for attendance, seminars and programs for podcasters

TAMPA, Fla., Aug. 12, 2020 (SEND2PRESS NEWSWIRE) – Podfest MultiMedia Expo, one of the longest running and tightest-knit communities of podcasters announces that the Podfest Global Summit is presently on a great track for its attempt of the GUINNESS WORLD RECORDS™ title for the largest attendance for a virtual podcasting conference in one week.

The banner features a dark blue background with a light blue grid pattern. On the left, the text 'PODFEST GLOBAL SUMMIT' is displayed in large, bold, blue letters, with a globe icon integrated into the word 'GLOBAL'. Below this, it says 'PRESENTED BY libsyn' with the Libsyn logo. To the right, the main headline reads 'LET'S MAKE HISTORY TOGETHER!' in large, white, bold, sans-serif font. Below the headline, it states 'ATTEMPTING THE GUINNESS WORLD RECORDS™ TITLE FOR LARGEST ATTENDANCE FOR A VIRTUAL PODCASTING CONFERENCE IN ONE WEEK'. On the far right, a vertical white bar contains the text 'PODFESTEXPO.ONLINE'. At the bottom, a light blue horizontal bar contains the text 'PRE-EVENT WEEK RUNS AUGUST 3-8' on the left, 'AUGUST 10-15' in large, bold, dark blue letters in the center, the Guinness World Records logo on the right, and 'OFFICIAL ATTEMPT' in bold, dark blue letters on the far right.

The Podfest Global Summit, presented by Libsyn, is presenting a range of sessions to benefit all levels of podcasters from beginner and intermediate, to the advanced and professional. Content is ranging from how to start a podcast to monetization to tech/gear, as well as legal, business structuring, branding, marketing, distribution and an array of other pertinent topics.

Podfest Expo is a community of people who are interested in and passionate about sharing their voice and message with the world through the powerful mediums of audio and video.

“Podfest Multimedia Expo has been an Orlando, Florida based international event in terms of drawing attendees from other countries,” says Chris Krimitsos, Chief Creative Officer of Podfest Expo. “Now and virtually, through the Podfest Global Summit, we have people participating who otherwise have not been able to come to Orlando due to travel costs or scheduling.”

He adds, “With technology being where it is – both in online conferencing and, of course, podcasting – we have no limits on bringing together this massive worldwide community of creators.”
