

VLP Law Group Continues Its Growth with the Addition of Patent Attorney Jim White

PALO ALTO, Calif. and SEATTLE, Wash., Sept. 25, 2018 (SEND2PRESS NEWSWIRE) – VLP Law Group LLP is pleased to announce that patent attorney Jim White has joined the firm's Intellectual Property Practice Group as a partner based in Seattle, Washington.

Send2Press® Newswire

Mr. White is a seasoned patent attorney with over 20 years of experience in patent procurement in computer-related areas, including computer software and Internet-related patents. He focuses his practice on the domestic and foreign prosecution of computer-related patents, and also provides services in strategic planning and analysis of patent portfolios, patent validity and infringement opinions, and patent licensing.

Prior to becoming a software patent attorney, Mr. White worked as a software engineer in Silicon Valley for over six years.

"We are thrilled that Jim will be joining the VLP patent team," said David Roise, Co-Chair of VLP's Intellectual Property Practice Group. "Jim's

technology background in software and Internet-related technology will further strengthen our expertise in these areas. His experience working as a software engineer in Silicon Valley prior to becoming a patent attorney, and his subsequent legal practice in patent prosecution, strategic IP planning and analysis and patent diligence speak to the expertise and value he provides his clients. We look forward to having him as part of our IP group.”

Mr. White said, “VLP’s sophisticated cloud-based infrastructure, as well as its existing team of skilled patent procurement professionals, will enable me to provide outstanding service to clients. I am very excited to be joining this fine team of lawyers in such a dynamic environment.”
